

600x1200mm High Gloss

Designed to create a calm and serene environment along with showing class and character to living and working spaces of all surfaces, our tiles make a style statement allowing you to choose from a wide range of designs, textures, colors, and effects.

ureza
GRANITO

Explore the crest of majesty

The surprising shine of the materials enhances the prestige and natural beauty of surfaces. We have created a timeless amazing collection that definitely meets contemporary design with unmatched elegance.

Their colors and structures coordinate with one another spontaneously and are therefore always in harmony. The size range allows for enhancement of any space and offers the utmost design freedom for newly created modular solutions. These multi size installation patterns clad any surface with style and class. The tiles come in two main variations and are meant to reflect the true serenity of a space, whether it be on a wall or on a floor. Added to the marvelous designs, custom installation and handmade perfection, these tiles will surely make your space look more beautiful than ever before.

ADVANTAGE & FEATURES

Nature, technology, science and design. Top quality ceramic surfaces by are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

Versatile Size

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

Safe & Secure

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

Design Varaities

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

More Sustainable

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and ecofriendliness.
